 - a) the student boards the bus at an established, approved bus stop; b) the bus has available seats.
4. I understand that, if approved, the above-named applicant may remain at the approved school until he/she completes the highest grade level at that school as long as he/she remains in "good standing". Factors considered by the school district to determine "good standing" include, but are not limited to, the student's behavior and attendance record.
5. I understand that the student's enrollment privilege may be **immediately revoked** due to attendance or discipline issues.

Out-of-county applicants transitioning from 5th grade to 6th grade are NOT guaranteed approval.**
